Come for a week or two, a whole month, or the entire summer!

THE FUN BEGINS JULY 4TH AND CAMPS RUN WEEKLY FROM 8:15AM-5PM EVERY DAY UNTIL SEPTEMBER 2ND.

For kids ages 5–12 years.

To support Physical Literacy within our community, we continue to align our Summer Camps to the Sport For Life (S4L) model to help kids get an active start in life – and enjoy it too!

With our trained Physical Literacy Specialists on-hand, this summer’s camps will incorporate the theme of the camp as well as work on the S4L Basic & Fundamental Movement skills. These skills provide children with the confidence and ability to grow into active teens, and ultimately remain healthy and active for life.

We’re offering a mix of sport specific camps and other active camps of our own creation. All of our camps will focus on fun and follow the same daily timeline, but activities, additional cross-training, special guests and/or field trips will differ based on the camp theme.

Is it summer yet? Because we can’t wait! And neither should you. Register early to get the camps, programs and services you want.

What is Sport for Life?

Sport for Life (S4L) is a national model created to not only increase the number of podium finishes for Canadian athletes, but to also improve the overall health of every Canadian. It all starts with Physical Literacy and incorporates all ages, abilities, and levels of competition and recreation. We are proud to have aligned with the S4L model to increase Physical Literacy and enjoyment of physical activity in our community.

**SUMMER CAMP REGISTRATION INFORMATION**

**Age Requirements**: Each camp is designed specifically for its corresponding age group, and as such we are unable to accommodate exceptions. A child must be the age noted for the camp before the end of the camp week and have graduated Primary by June 2016 in order to qualify for participation.

**Multi-Child Discount**: For families with 2 children enrolled in the same week of camp, there is a 10% discount for the second child. For 3 children or more, there is an extra 5% discount for each additional child. This applies only when children are enrolled in the same week, but not necessarily in the same camp.

**Deferred Payment**: For our Summer Camp Program, we are pleased to offer an instalment billing plan for campers enrolling in three (3) or more weeks of camp. You may choose to pay in full; however, to allow ease of registration for as many weeks as necessary, the instalment billing plan will be available for participants registering before April 30th, 2016. Here’s how it works:

- 25% of the overall registration total required at time of registration
- Remaining 75% of fees owed are billed to the credit card number (provided upon registration) in 3 instalments of 25% each – to be processed on May 10th, June 10th and July 10th, respectively.

*Please note the Deferred Payment option is only available through in-person registration at the Customer Service Desk. For more information, please call our camps line at 902.490.2581.*

**Waitlist Procedure**: Should a camp that you wish to place your child in fill up, please be sure to add him/her to the waitlist! Summer plans change and we do our best to quickly notify people from our waitlist if space becomes available. Should a space become available, you will be contacted by email and will have 48 hours to confirm and pay for your child's enrolment in camp. After 48 hours without confirmation and payment, the space is offered to the next waitlisted child.

**Early Drop-Off & Late Pick-Up**: An early drop off option is available to parents who need to be on the road a little earlier than 8:15am each morning. Conversely, a late pick-up option is available to parents needing extra time past 5pm to get to the Centre after their work-day. Sign up for one, or the other, or both, but please note this is an extra service that requires pre-registration. See page 21 for further registration details. Spaces are very limited for this service, so please register early!

**Subway Lunches**: The Canada Games Centre is working in close partnership with Subway Restaurants again this summer to continue to offer a healthy lunch option for those wishing to take advantage of our food services. Subway lunches are offered at an additional cost (not included in Summer Camp program fees) and can be ordered online through our registration system or in person at our Customer Service Desk. Please see page 21 for more details, including order submission cut-off dates.

**ASSISTANCE PROGRAMS**

**Inclusion Program**: We offer an inclusion component for campers requiring extra attention due to a physical and/or cognitive disability. Campers are supervised one on one, by an Inclusion Counsellor who is charged with meeting the camper’s personal and developmental needs, making every effort to include campers in adapted activities, and ensuring their overall safety and happiness while in our care. For more information about this program and how to apply, please visit the Camp section of our website. Applications will be accepted until May 13th.

**ACCESSIBILITY**

We welcome children with special needs and/or disabilities. Please discuss your child’s individual needs with the Recreation Program Supervisor and we will be happy to try and accommodate their needs as best as we are able. Please understand that some needs may be beyond our scope of accommodation.

**SUMMER CAMP PROGRAM CANCELLATIONS AND REFUND POLICIES**

- Cancellation notice must be received a minimum of 14 days prior to the first day of camp to qualify for a refund. Refund will be processed for the full amount of the fee paid, less an administrative charge of 10%.
- We will credit your account for the amount of the program up to 7 days before the program start date. Any cancellations received within 7 days of the program start date will not receive a credit.
- Some programs may be cancelled due to insufficient registrants. We monitor registration levels prior to the start of programs to ensure quality programs are offered. A great camp could be cancelled if there are not enough registrants. Please register early to avoid program cancellations.
- Accepted forms of payment: Visa, Master Card, American Express, debit cards, cash and cheques (some restrictions apply). The charge for non-negotiable payment is $40 plus tax.
**DAILY CAMP ROUTINE**

Though all camps differ in theme and specific activities including field trips (if applicable), they do share an overall daily routine in terms of start and end times, lunches, FMS sessions and a swimming component.

**8:15am - Morning Drop-Off:** Unless registered for Early Drop-Off, campers are to arrive at the Field House each morning between 8:15am-8:45am. Please allow for extra time on Mondays for children to receive their bracelets for the week and join their counsellors. Having your completed camper forms with you or sent in ahead of time will also speed up the process. Children will spend this time doing supervised non-structured free-play and games.

**Throughout The Day:** Each camp has many structured activities built into the daily schedule. Activities are in keeping with the theme of the camp and are physically active and engaging. Children will also go outside (weather permitting) and participate in activities in the areas surrounding the Centre.

- **Daily Swimming:** All camps will swim once per day (unless noted in the description) regardless of the weekly theme. Campers will be encouraged to swim; however, if they choose not to, no additional activities are planned for them during this time.

- **Weekly Swim Tests:** Summer Camps share the pools with open swim times, therefore a swim test is completed every Monday morning (starting at 9am) to assess your child’s ability in the water. The swim test is as follows: Swim one length/width of the competition pool and tread water for 1 minute. If the child cannot complete both tasks confidently, they must wear a life-vest/safety belt in all pools regardless of child’s height.

Even though your child may have completed swim lessons, they may still have to wear a life jacket. Without direct and personal supervision (such as in a swim class) they may not be strong enough to keep themselves above water for very long. This is not to discourage children and their abilities, but to ensure proper safety. If a participant refuses to undergo the swim test, then they will be required to wear a safety belt for the duration of their Summer Camp. Children will only have to complete a swim test once throughout the summer unless they would like to challenge for a non-life-vest band. The height requirements for the water slides will still be enforced for safety reasons, regardless of age (at least 42” tall to ride the yellow water slide and 48” tall to ride the blue water slide). Please note diving boards and water slides are not normally available during camp swim times.

- **Lunches:** Whether your child brings lunch from home or takes part in our Subway Lunch program (page 21), we encourage you to pack enough nutritious foods and snacks (nut-free please!) to help them keep up with daily activities. Should your child forget his/her lunch, we will have to call you to bring one as we will not be able to escort him/her to Subway during camp hours.

- **Field Trips:** Certain camps will be leaving the Centre on field trips during the camp week and most trips use Metro Transit. Parents will be notified by email in advance as to when children will be offsite for field trips and a field trip schedule will be posted in the Camp section of our website. Supervision ratios will increase on those days to ensure the safety of participants at all times.

- **5pm - Afternoon Pick-Up:** Camps will return to the Field House each afternoon around 4:30pm to help facilitate a quick pick-up for all families. Similar to morning drop-off, children will spend this time doing supervised non-structured free-play and games. All campers not registered in late pick-up must be picked up no later than 5:00pm sharp.

STILL HAVE SUMMER CAMP QUESTIONS?
The Summer Camp Parent Handbook can help! It outlines what your child should bring to camp, behavioural guidelines, and other general policies and procedures. Download it here - it’s a highly recommended read before the first day of camp to help ease any nerves around expectations for both parents and campers.
