

We're adjusting our membership fees.

The Canada Games Centre's member rates are reviewed annually. We take into consideration our product and service offerings, as well as rising operational expenses, required facility improvements, and equipment enhancements. All annual and one-month memberships will see an increase in fees as of April 1, 2025.

Membership Rates as of April 1, 2025:

CATEGORY	ADULT		SENIOR (60+)		YOUNG PROFESSIONAL (19-25)		YOUTH (3-18)		FAMILY		ADD-ON	
	Current	NEW	Current	NEW	Current	NEW	Current	NEW	Current	NEW	Current	NEW

**Please note prices do not include HST.*

Rate Adjustment FAQ

I'm already a member, will my rate go up?

Yes. If you pay bi-weekly, you will begin to see the increase applied to your payments as of April 1, 2025. All current pre-paid annual and one-month memberships will see the increase when renewed.

Why are the rates going up / Where does the money go?

As a non-profit organization, CGC revenue goes back into the facility. The increase in rates means we can continue to maintain a high level of service and programs, including a variety of specialized activities and instruction; and purchase new equipment, perform upgrades, and keep the facility in good working order.

Who can I talk to if I have other questions about my membership?

If you have any other questions about your membership or would like to make changes to your membership, please contact Membership at 902-490-8989 or membership@canadagamescentre.ca.

Thank you in advance for your understanding. We truly appreciate your patronage and look forward to continuing to be a part of your healthy active lifestyle!
