Fitness and Wellness Programs

WHAT'S THE DIFFERENCE BETWEEN CGC'S REGISTERED FITNESS PROGRAMS AND THE DROP-IN FITNESS CLASSES INCLUDED IN YOUR MEMBERSHIP OR DAY PASS?

Registered programs are designed for the participant who wishes to progress over the course of a program. Led by our certified instructors, these programs are smaller in size allowing for more specialized training and attention to help you reach your goals. Registered programs are not included in membership fees, but members do receive a discounted rate. Spaces are limited, so pre-registration is required.

There are more than 60 Drop-In Fitness Classes a week which are included in your membership or day pass. If you're looking to cross-train or to try something new, these classes are designed for all fitness levels (unless otherwise noted). Zumba®, Aquafit, interval training, Yoga, and more – pick your favourites from our **Drop-in Fitness Schedule** available online or at the Customer Service Desk.

Yin Yoga is a slow paced, soothing, and meditative style of yoga mainly practiced on the floor. It offers deeper access to the body compared to other 'yang' or active practices and it consists of a series of passive poses held for longer periods of time. Yin can be challenging despite being a slower paced practice. The ability to care for your body and sit in the discomfort takes practice. At a physical level it targets the deeper connective tissues of the body, such as the fascia, ligaments, joints, bones improving flexibility and joint mobility, increasing blood and lymphatic circulations, releasing tension, and greater stamina. It is a great way to compliment your regular exercise and increase your overall wellbeing.

Time trials will take place on practice 2 and 16 of the program (barring any unforeseen schedule changes).
